GET BEST MAIL SERVICE HERE

That Gettysburg Has ever Had. Can Send Letter to Philadelphia and Get Reply the Same Day.

Beginning to-morrow, Gettysburg will be given the best mail service it has ever had to Philadelphia, New York, and points in the eastern states. At least two hours is gained by the new arrangement, announcement of which was made this morning.

On the Reading train leaving here at 5:55 there will be placed daily a closed pouch containing all mail for Philadelphia and New York. This pouch will be transferred at Harrisburg to train No. 92 and the mail agent on that train will open it and route the mail. Letters for Philadelphia will reach that city at 10:30, instead of 12:30 as has been the case for years; and mail for New York will reach its destination at 12:50 instead of 3:30. Letters for other points will be routed on this train and a corresponding advance in time of delivery will thus be obtained. Reading will be the transfer point for much of it. Train 92 going on to New York.

Under the arrangement which has been in vogue for so many years the mail for New York and Philadelphia which left here at 5:55 was sent to the terminus at Harrisburg and worked there, later being dispatched on the Pennsylvania Railroad for its destinations. This, of course, required time. All this loss will be cut out, and Gettysburg put in immediate mail communication with the principal points of the East. It will be quite possible to send a letter from this place to Philadelphia in the morning at 5:55 and to get an answer at 9:35 in the evening, even without special delivery, though the latter method would make the service doubly sure.

The following men, who took the test for the clerk-carrier position at the Gettysburg post office recently, passed with the marks indicated: Mervin L. Sterner, 88.40; Dorsey W. Sowers, 87.20; Charles B. Lett, 83.30; Guy M. Appier, 82.60; Walter S. Swisher, 82.30; David D. Kendelhart, 80.80; Norman H. Swartz, 80.70; Erle R. Deardorff, 79.90; Philip Boxer, 78.40; John C. Hamilton, 73.70. Vacancies at the post office will be filled from this list should any occur.

MAKING PROGRESS

Huge Steam Shovel Heaving Tons of Rock from Mountain Side.

Considerable progress is being made by the large force of men in the employ of the Western Maryland railroad preparing for the laying of a double track between Edgemont and Ten Mar.

A force of 125 Italians, a few persons of other nationalities and negroes are hard at work making the dirt and rocks fly in the Bald Knob cut just beyond the Blue Mountain station, and the army of men are slicing down the side of the mountain and blasting away the rocks with unabated energy.

The large scoop has a speed of filling eight flat dump cars in five minutes. This dirt is carried along the line of the railroad and dumped into the ravines as a filler for the roadbeds.

The construction gang are making rapid progress in the building of the double track and hope to have their work pretty well finished by the first of June.

NOW ON TRIAL

Two Plead Guilty to Rich Woman's Murder.

William McClure and Joseph White pleaded guilty Monday to the murder of Mrs. Caroline Viehmier, a wealthy widow, whose body was found in her home December 12, last.

Her son-in-law, Aaron Fell, whom McClure and White allege paid them \$50 to attack Mrs. Viehmier in order that he might secure possession of a note for \$4000 she held against him, was placed on trial charged with complicity in the crime. It is to prove an alibi for Fell that a number of Gettysburg men are testifying at the trial.

ST. JAMES Mite Society will hold their annual chicken and biscuit supper in the social room of St. James church, Thursday evening, March 2, beginning at 5 o'clock.—advertisement

MADE TWENTY SIX MILLION CIGARS

Adams County also Paid Eighty One Thousand Dollars for Revenue Stamps, during the Twelve Months of 1915.

More than twenty six million cigars were made in Adams County in 1915, according to Joseph S. Felix, deputy internal revenue collector for this district who gives as the exact figures 26,663,818. Stamps were sold to the various manufacturers for which they paid the remarkable total of \$81,207.19, making this county one of the most important in the southern section of Pennsylvania.

In the territory which Mr. Felix covers are Adams, Fulton, Franklin and Cumberland counties, but the borough of McSherrystown makes more cigars than all of the rest of the four counties combined. Waynesboro and several other towns outside of Adams County have factories, but they are comparatively small and do not figure at all when compared with the enormous output of the McSherrystown plants.

In this county there are only five factories of any appreciable size outside of McSherrystown. These are the George Parr and Cinco establishments at Littlestown and the three factories at Centennial. Gettysburg and other places have stores at which several men are constantly at work but they cannot be put into competition with the large establishments in the lower portion of the county.

The four counties which come under the supervision of Mr. Felix are a portion of the Ninth Internal Revenue District, which has its headquarters in Lancaster, and is one of the richest in the country. Other counties in the other sections into which the large district is sub-divided, produce heavy revenues for cigar and tobacco stamps but Adams County, for its size compares most favorably.

MEETINGS

Notices of Various Gettysburg Temperance and Other Organizations.

A Junior League prayer meeting will be held at 7:30 in the Methodist church this evening to which everybody is cordially invited. A social evening for the Juniors and their parents will be observed Friday evening at 7:30. The monthly business meeting of the official board will be held immediately after prayer meeting this evening.

The teachers of Tyrone township will hold an educational meeting at Chestnut Hill on Friday evening, March 3. The topics for discussion are: "The Aims of the School," Ethel E. Fidler; "Primary Work," C. Edith Weigle; "Preparedness," R. M. Starry; "Industry in the Schoolroom," David Nicoll and D. A. Peters.

A mothers' meeting, under the direction of the St. Courageous W. C. T. U., will be held in the lecture room of the Presbyterian church Thursday evening at 7:30. All mothers are cordially invited to attend.

The Mary Schick W. C. T. U. will meet with Mrs. Anna M. Lake, Center Square, Thursday afternoon at 2:30.

GET INVITATION

Gettysburg Entitled to Meeting Next Month at Harrisburg.

Burgess Eicholtz this morning received from Governor Brumbaugh notification of the coming meeting of the State Association of Boroughs at Harrisburg on April 11 and 12. The Act providing for the meeting entitles each borough to a delegation which may consist of the burgess, two councilmen, and the borough solicitor. The Act also authorizes the payment of the expenses of the delegates from the borough treasury.

NEW SHOP

Job Printing Establishment will soon be in operation.

A. D. Buehler and Danner Wierman will open a new job printing establishment in the very near future in the room in the Stallsmith Building formerly occupied by the Hemet Restaurant. They have purchased a new equipment and expect to run a thoroughly modern establishment.

LOST, between Guernsey and Gettysburg; pair of automobile chains. Finder please communicate with W. C. Tyson, Guernsey.—advertisement

BIG INCREASE FOR VETERANS

New Pension Bill Favorably Reported would Mean Much to Adams County Soldiers. Widows are also Concerned.

Scores of Grand Army men in Adams County are deeply concerned in the news that pensions of not less than \$30 a month for all Union Civil War veterans, 70 years old or more, and eligible for the pension roll, are proposed in a bill favorably reported to the House on Tuesday.

The measure also would increase from \$12 to \$20 the pension of every widow who was the lawful wife of a soldier during his service in the Civil War; restore to their former pensionable status widows of Civil War soldiers dropped from the rolls because of their marriage to other persons and who are again widows or divorced, on their own application and amend by making the date 1935, the act of 1890 providing that women who married Civil War veterans after that date should not be entitled to pensions upon becoming widows.

No official estimate of the amount the bill would add to pension appropriations has been made, but the total would be some millions of dollars.

THEODORE D. CULP

Born in Gettysburg and Taught for Some Time in County Schools.

Theodore D. Culp died this morning at 9 o'clock at the Sanatorium at Sabillasville, Md., aged 49 years, 2 months and 14 days.

He was born in Gettysburg, son of John H. and Dorothy Culp, both deceased. He leaves four children, who reside in Reading, and the following brothers and sisters: Mrs. Anna Zeigler, Mrs. Jacob Mundorff, and James W. Culp, of Gettysburg; Mrs. Minnie Heien, Reading; Mrs. Sophia Frankforter, of Hampstead, Md.

Mr. Culp had been a highly successful teacher the past thirty years, having taught in this county, his first school being Mount Hope in Hamilton township; also at York Springs, then in Berks and Erie counties, Pa., to Tennessee, and the past fifteen years in Florida. He was taken ill with tuberculosis last June just prior to the close of his school term in Florida, after which he came to the home of his sister, Mrs. Sophia Frankforter, in Hampstead, Md., where he made his home when in the North. Thinking the mountain air would benefit him he was taken to the Sanatorium at Sabillasville, Md., last November, where he died this morning.

Mr. Culp was an honest, conscientious, upright man, with no bad habits. He attended the public schools of this place and Pennsylvania College, then began his profession of teaching and followed it continuously till his death.

He belonged to the Masons, Odd Fellows, and the P. O. S. of A.

Funeral Friday at 1:30 p. m. from the home of Mrs. Mundorff, on South Washington street. Interment in Evergreen cemetery.

JACOB GALLOWAY

Funeral from his Late Home on Thursday Morning.

Jacob Galloway, a life long resident of Hunterstown, died at his home in that place on Tuesday afternoon, from infirmities, aged 80 years, 11 months and 9 days.

He was a chairmaker by trade, and the last member of his immediate family.

He leaves his widow and five children, Charles, James, and Calvin Galloway, of Hunterstown; Mrs. Galloway, of Idaville; and Mrs. John Jacoby, of Heidlersburg.

Funeral services at his late home at ten o'clock Thursday morning. Interment at the Pines Church cemetery.

THIS EVENING

Persons May Attend Prayer Meeting and Lecture also.

Town and college people are reminded of the lecture in Brua Chapel by Dr. J. H. Ashworth this evening on "The Virginia Mountaineers." The hour is fixed for 8:15 in order not to conflict with the mid-week prayer services. The lecture is one of the free course.

Mar. 24—"Shepherd of the Hills," Brua Chapel.

TWO BADLY HURT IN UGLY MISHAP

Young Woman Has Arm Broken. Her Brother Unconscious for Hours from Injuries to the Head.

In a driving accident between New Oxford and Abbottstown, Paul Laughman and his sister, Mamie Laughman, received severe injuries, the former lying unconscious for four hours after the mishap. Both are residents of Pigeon Hills and are recovering from their wounds.

The horse started to run away for some reason that has not been explained. They were in a runabout and when they neared the home of J. S. McFadden, the girl tried to recover the lines, but the horse jumped into the summer road along the "pike" and then tried to run up the embankment. Laughman was thrown out, landing on his head and the vehicle upset throwing Miss Laughman to the ground and pinning her brother beneath it.

Mr. McFadden, who witnessed the accident, reached the horse before it had again started to run and with the help of neighbors succeeded in recouping the unfortunate young people.

Dr. Miller, of Abbottstown, was summoned to give the necessary treatment. The injuries of the man consisted of severe cuts and bruises about the body and head and he lay unconscious in the McFadden bottling house for about four hours. Miss Laughman sustained a gash five inches long from her forehead to the back of her scalp and also had her left arm broken between the elbow and wrist. She also sustained other bruises and cuts.

Witnesses of the accident at first thought the man or perhaps both had been killed but examination shows that both will recover.

SANDERS—BOWLING

Bride Wore Orange Blossoms Sent from California.

Miss Sara Luella Bowling, daughter of Mr. and Mrs. Joseph Bowling, of Fairfield, and Cletus Guy Sanders, son of Mr. and Mrs. James Sanders, of Gettysburg, were married at a high nuptial mass in St. Mary's Catholic church, Fairfield, this morning by Rev. Fr. Guise.

Miss Madeline Bowling, a sister of the bride, was bridesmaid and Lloyd Reed, of Fairfield, was best man.

The bride wore a gown of white net over silk and a veil caught with orange blossoms, sent by a sister living in California. She carried a bouquet of bride's roses. The bridesmaid wore a gown of pink silk and carried pink carnations.

The mass and wedding march were played by Mrs. S. L. Allison, of Fairfield.

They will reside in Gettysburg.

STATE CONVENTION

College Boys will Meet here and Listen to Prominent Speakers.

The Intercollegiate Prohibition Association will hold their annual convention in Gettysburg on April 7th, 8th and 9th. The sessions will be held in Brua Chapel at College. At this convention the annual state oratorical contest is held. Some of the speakers at the convention will be Dr. Sanders, of the college faculty; Dr. E. C. Dinwiddie, of Washington, D. C.; Dr. Leigh Colvin, president of the Intercollegiate Union. Dr. Colvin is a man of national reputation. Charles Scanlon, of Pittsburgh, is also expected to deliver an address.

GET NOTABLE FILM

Local People May See Invading Force Marching toward Gettysburg.

"The Battle Cry of Peace", in importance and thrilling action second only to "The Birth of a Nation", has been booked for Walter's Theatre April 13 and 14. It depicts vividly the invasion of the United States by a foreign force, the fall of New York, and other predicted events.

PATRONS' DAY AT MEADE BUILDING

Advanced Grades and their Work Delight Many Visitors who See Pupils in Daily Routine. Rooms Attractive.

The broad corridors and cheerful rooms of the Meade School Building held many visitors this afternoon for the annual patrons' day observance. As at the High Street School the day preceding, parents and friends of pupils showed their keen interest by visiting many of the rooms and watching the work. Regular routine was carried out.

As an example of the questions asked by some of the visitors and the resulting explanations the following are given.

"Of what earthly use is this so-called art work, the cutting out of miniature bed room furniture, the drawing of all sorts of things and so on? It seems to me a waste of time and nothing more than the kind of thing children in kindergarten work might be required to do."

"Not at all", came the quick response of one of the teachers. "Every bit of this work leads up to the manual training and domestic science courses, in the High School. This 'cutting out' is done with mathematical precision after the most careful kind of measurements which the pupils themselves have done. This proves invaluable when the practical work of wood-working is taken up, while the girl who engages now and then in making wearing apparel knows only too well how important it is to be accurate in measuring."

"As to the 'so-called art work,' as you designate it, the primary purpose is to convey through the hands what the eye sees, and I must confess that some of the children must have very defective vision if they do this. We no longer ask strong manly boys to draw pictures of flowers, for they hate it, but we try to direct their efforts in the art course along lines that they will enjoy."

And so, others asked about other innovations at the schools, their purposes and the success attending their teaching. The green "blackboards," a makeshift from the start, are soon to be replaced with good slate, many were glad to hear, and everything else about the building was in the most excellent shape, the teachers and pupils busy, the work well and happily done, and a most favorable impression was the result of the patrons' day observance here as in the rooms at the High Street School the day before.

TO-NIGHT

Vogel's Minstrels Give Parade. Will Have Attractive Chorus.

John W. Vogel, whose every endeavor has been given to minstrelsy, has forsaken the beaten path and this season stands sponsor for "Japland," an operatic minstrel farce-comedy, the newest big thing in the theatricals; newest because of the conception that solders the link that binds minstrelsy to a modern musical comedy show. The book calls for two acts and fourteen scenes, all massive, vivid impressions of picturesque Japan, the land of quaint costumes, profuse coloring and lilac. The cast is necessarily large for two complete organizations are required for the presentation, also Mr. Vogel's lyric band and double symphony orchestra. The troupe arrived this morning from Hanover and gave a creditable parade at noon.—advertisement

GRAPHIC DESCRIPTION

Of Siberian Exile is Given before Gettysburg Audience.

Prof. W. Blanchard Moore delighted a large audience in Brua Chapel Tuesday evening with his illustrated lecture on Siberia, in which he told most graphically of the horrors of the Russian system of exile, and many other things about the great country. Prof. Moore was in the costume of a Siberian exile.

TO OUR READERS

The Gettysburg Times takes absolutely no part in politics, being neutral on all such matters. Anything that appears in our general news columns, concerning state or national politics, is furnished us by The American Press Association, a concern which gives the same news to Republican, Democratic, Prohibition, or Socialist papers and which is strictly non-partisan.

Our advertising columns are open to all candidates of all parties. Want ads. One cent per word each insertion. Two cents a word if guaranteed first page position. Resolutions of respect, poetry and memorials one cent per word.

Order Your Harness

We make a special endeavor to keep on hand a large supply of all kinds of HARNESS, and usually are able to meet any demand made upon us for immediate delivery. Just at this time of the year, however, when farmers frequently desire a number of sets of the same kind, it is difficult to fill their requirements without any delay unless an order is placed with us in advance. We would suggest therefore, that farmers, intending to buy a large amount of harness notify us of the date when they will actually need it so that we may prepare to their wants promptly.

LA PROVENCE SUNK, 1000 LOST

Former Ocean Liner Destroyed
in Mediterranean.

870 SURVIVORS LANDED

French Auxiliary Cruiser Was Sent to Bottom by U-Boats Last Saturday.

Paris, March 1.—The auxiliary French cruiser Provence was sunk in the middle of the Mediterranean last Saturday. It was announced officially. It is supposed the ship was torpedoed by a submarine.

It was reported that nearly 1000 lives were lost, although the official announcement made no statement as to the casualties. It was rumored that the vessel was attacked by two submarines.

The ministry of marine estimates the number of survivors at 870, and it is said there were more than 1800 all told aboard the vessel. By Sunday morning, it was announced, 485 survivors had landed at Milo, in the Greek archipelago, and on Monday, eighty-five more arrived on a patrol boat. It is said also that 296 have arrived at Malta, south of Sicily.

Ten boats are reported now to be scouring the sea in the vicinity of where the Provence went down, in the hope of picking up other survivors.

While the official statement fails to say whether submarines, mines or an accident caused the loss of the big vessel, it is pointed out that German or Austrian submarines have been operating in the Mediterranean during the last few months, and that it has been a practice of both the British and French governments, in announcing the loss of ships through submarine activities, not to mention the cause of their destruction.

La Provence was one of the largest and finest of the French line vessels. Her gross tonnage was 13,752. She was built at St. Nazaire in 1900, was 602 feet long, sixty-five feet beam and thirty-eight feet deep. She was requisitioned by the French government for naval service at the outbreak of the war, and is believed to have been used as a troop transport.

La Provence entered the trans-Atlantic service when the speed rivalry among the British, French and German lines was at its height, and engaged in a number of exciting races, in one of which she defeated the Cunard line steamship Mauretania.

Five Steamers Sunk.

Tokio, March 1.—Japanese naval authorities have received official advice that three British steamships, one French and one Swedish steamship were sunk by German submarines in the Mediterranean February 23 and February 24.

The officials think this indicates an increased number of submarines operating in the Mediterranean.

Steamer Hits Mine.

London, March 1.—The Swedish steamship Knippla has struck a mine and sunk, south of Palermo, Sweden. The crew was rescued. She was a vessel of 521 tons.

The fishing steamship Lily Reach has been sunk. Her crew of eight is missing.

SEE NEW RUSSIAN DRIVE

Signs of Great Teuton Activity Along Entire Eastern Front Announced.

Petrograd, March 1.—Announcement was made semi-officially that tremendous activity has been observed over the whole length of the German front in the east. There are various indications that spring will see another great effort by the Germans on the Russian front.

Enormous quantities of incendiary and explosive bombs have been collected by the Germans. Another feature of these preparations is the bringing up of apparatus for aerial warfare on an increasing scale. Aerodromes are being enlarged and great numbers of aeroplanes forwarded from Germany.

62 Veteran Mine Men Discharged.

Wilkes-Barre, Pa., March 1.—Sixty-two veteran employees at the Avondale colliery of the Delaware Lackawanna & Western company have been discharged. The discharged men say they were dismissed because of the enforcement of a company rule to compel all employees to undergo a physical examination. This rule is the result of the compensation act. Some of the men had been employed twenty-five years.

Strike on Cambria Steel R. R.

Johnstown, Pa., March 1.—The railroad department of the Cambria Steel company was tied up by a strike of the engineers, firemen and trainmen, following a dispute over the wage scale. The men declare that they were promised a ten per cent raise and have not received it.

Baby Smothers in Bedclothes.

Pottsville, Pa., March 1.—Entangled in the bedclothes, six-weeks-old Edith Goodman was found smothered to death beside her sleeping mother at Palo Alto.

NICHOLAS LONGWORTH.

Roosevelt's Son-in-law May Run For Senator From Ohio.

TWO AMERICANS ARE SLAIN IN MEXICO

One Killed by Villa Soldiers; Other by Bandits.

Washington, March 1.—The murder of Grover C. Varn, an American, by Villa forces at his home, twenty-five miles north of Durango, was reported officially to the state department. No other details were given.

Varn, according to a despatch, left El Paso two weeks ago to join his brother, J. E. Varn, at their ranch. Both the Varns were expert gunmen, and repeatedly have held off bandits who went to raid their property.

Reports to the department of justice said General Felix Diaz, nephew of former President Porfirio Diaz, who hopes to start a new revolution in Mexico, left the United States, February 18, on a ship bound from Tampa, to Tierra, in the state of Vera Cruz.

A despatch from New Orleans says that Diaz adherents there profess to have advice that Diaz landed in the state of Vera Cruz last week, and was joined by several thousand troops. It was said he intended marching to his home state of Oaxaca to join 10,000 troops to begin his campaign against Villa and Carranza. Zapata troops, it was said, would join the Diaz army. Several million dollars were declared to have been provided to finance the movement.

Hanged by Bandits.

Torreón, Coahuila, Mexico, March 1.—An American hotel-keeper named Harris has been hanged by bandits at Sombrete, in the state of Zacatecas, it was reported. The date of the hanging was not learned. Harris had lived in Sombrete forty years.

DRYS WIN FIRST POINT

Maryland House Refuses to Hold Up Bill for Revenues Investigation.

Annapolis, Md., March 1.—The state wide prohibition fight is on in the senate and house.

Anti-saloonists and their allies are full of confidence, and indications are that they have the votes to ut the measure through unopposed to its third reading unless something unforeseen occurs.

What is regarded by some as a test vote occurred in the house when that body voted down by fifty-six to thirty-nine a resolution that the ways and means committee report to the house the amounts of revenue that will be lost by state-wide prohibition.

An attack on the liquor traffic was made by Senator Bennett, of Wisconsin county.

It is apparent that the friends of prohibition in the house will not permit delay in the consideration of the bill.

Killed by 13,000 Volts.

Bordentown, N. J., March 1.—George Cartwright, an electrician, who boarded at 33 Bank street, Trenton, and who came here to install new work at the public service plant, was killed by 13,000 volts of electricity passing through his body. His home is said to be somewhere in the west.

GERMANS GAIN EAST OF VERDUN

Attacking Armies Reach Heights East of Meuse.

FRONT COVERS 12 MILES

French Report Repulse of Two Attacks on Their Positions Near Fresnes—Germans Have Nearly 17,000 Prisoners.

London, March 1.—The hardest fighting in the German drive for Verdun is now taking place to the east of the fortress, where the attacking armies have advanced on the plain of the Woivre and reached the base of the heights east of the Meuse at several points.

Berlin reported new advances in this region along a front approximately twelve miles in length, stretching from Dieppe, seven miles northeast of Verdun and three miles east of Douaumont, to Champon, thirteen miles southeast of Verdun.

From Dieppe the line runs to Abancourt, some two miles southwest, and thence directly south to Blanche, about two and a half miles distant. It continues southward to Maheulles, three and a half miles further on, the taking of which was announced by the Germans, and thence to Champon, three miles to the southeast, another town captured in the German advance.

Between Maheulles and Champon lies the city of Fresnes, which is held by the French, who reported the repulse of two attacks on their positions there. Abancourt is on the high road from Verdun to Metz.

Paris admits the German capture of Maheulles, but declares a counter attack brought the French back to the western boundary of the village, which they hold under their fire.

North of Verdun the fighting, while furious, has not resulted in any important changes in positions by the opposing forces. The only German claim to an advance is that northwest of Douaumont village, a small armored work was stormed. The French have been heavily counter attacking in this region, according to Berlin.

In Lorraine, Berlin claims an advance at Thiaville, where a French salient position was taken, together with a large number of prisoners. Paris records the Lorraine operation as a German attack in which several small sections of advanced trenches were penetrated, the Germans being almost immediately driven out.

The German announcement shows the taking in the Verdun battles of nearly 17,000 prisoners, together with seventy-eight guns, several of the modern heavy pieces, eighty-six machine guns and quantities of war material.

The statement issued by the Berlin general staff, describing the operations, says:

"Very strong artillery activity has continued at several points. "East of the Meuse we stormed a small armored work directly northwest of the village of Douaumont. Repeated enemy attacks in this region were stopped at the very outset.

"In the Woivre our troops have passed Dieppe, Abancourt and Blanche. They have cleared the extensive wooded region northeast of Watronville and Haudimont, and have taken in their heroic advance Maheulles and also Champon.

"Up till Monday night, we counted unwounded prisoners 228 officers and 16,575 men, and further seventy-eight cannon, seven of these heavy and of the most modern kind, and eighty-six machine guns, while unwounded war material is reported as booty.

"At the Forester's house at Thiaville, northeast of Babonville, the projecting portion of a French position was attacked and taken. A large number of prisoners remained in our hands."

Military critics in Paris express the opinion that the German forces, which at the beginning of the battle numbered probably half a million, now exceed 750,000.

"I fought since the beginning of the war," says a soldier, who has returned to Paris and who was present at the fighting at Ornes. "I saw the shambles at Suppes and Souin. They were nothing to what I saw last week. The enemy advanced and we retired under orders, but we killed them by the dozen. It was so terrible that I, who have watched my comrades fall around me with almost indifference, shudder as my memory recalls those scenes."

British Losses for February 18,586.

London, March 1.—British casualties in all the war areas published during the month of February, showed a total of 739 officers and 17,847 men. British losses for February were somewhat smaller than during January, when the published losses amounted to 1079 officers and 19,624 men.

Wife, Wounded, Tries to Stop Suicide.

Pittsburgh, Pa., March 1.—After being shot by her husband three times, Mrs. Julia Kunces tried in vain to prevent him from ending his life, but he fired a bullet into his brain. Mrs. Kunces may die.

34 GERMAN SHIPS SEIZED BY ITALY

All But Three interned Vessels Requisitioned.

London, March 1.—It was announced in the house of commons that the Italian government had requisitioned thirty-four of the thirty-seven German steamships interned in Italian ports.

Recent reports from London said that grave interest was being displayed in England over the possibility of a declaration of war on Germany by Italy when the Italian parliament opened, March 1.

The Italian government, according to despatches received in London from Rome, on Sunday, had not yet decided whether it would yield to the popular demand for a war with Germany.

May Lead to War.

Washington, March 1.—Announcement of Italy's seizure of German ships in Italian waters attracted much attention in official and diplomatic circles, and in some quarters the belief was expressed that the seizure was the first of a series of acts which eventually might lead to war between Italy and Germany.

One of the leading explanations advanced for Italy's action was that she proposed to answer the new German submarine campaign by sending German ships to sea to meet the Teutonic submarines. Another explanation advanced was that Great Britain, short of ocean ships from submarine activities, wanted to use the ships in Italian ports, and was urging Italy to war on Germany.

Portugal's recent action, similar to Italy's, was recalled.

URGE VOTE ON ARMED SHIPS

Administration Wants the Question Disposed of.

Washington, March 1.—Administration leaders in congress are ready to bring the question of warning Americans off armed ships of the European belligerents to a vote at once, confident that they can defeat all such proposals.

They feel that until the question is disposed of the president is hampered in the submarine negotiations with the central powers.

Democratic leaders were brought to this view by a letter from President Wilson to Representative Poon, ranking member of the rules committee in the absence of Chairman Henry.

Say Turks Want to Quit.

Athens, March 1.—It is stated that both the Turks and Bulgarians are asking for an understanding with the entente. The only thing they request is that they be permitted to retain their position with integrity. The Turks, perceiving the danger to Asia Minor from the Russian advance, do not consider their existence safe, nor do they expect any decisive help from Germany.

American Wounded at the Front.

Ottawa, March 1.—Dr. Stanley P. Hammond, described as having formerly been attached to the cavalry of the United States and whose address is given care of the adjutant general, Washington, was reported as wounded in France in the Overseas casualty list made public in Ottawa.

Cartridge Exploded in Schoolroom.

Kenton, Ohio. A bullet from a cartridge, discharged when a girl in a local schoolroom picked it with a hair pin, but in two a lead pencil held in the mouth of another pupil and passed out through a window without hitting any one.

Red Hot Steel Crushes Workman.

Norristown, Pa., March 1.—Crushed under six thousand pounds of red hot steel at the Ivy Rock plant, Izove Nalus, of Conshohocken, died in a hospital.

Music was furnished by Le Roy, Mark, and Raymond Kane.

TWO MORE JOIN

Bigger Pen Mar Fair Circuit has been Arranged.

The Pen Mar Fair circuit has been enlarged by the addition of Byberry fair, Lebanon county. The Lebanon fair has withdrawn from the big circuit to enter the Pen Mar circuit which from its organization has been gaining steadily in the favor of owners and trainers of race horses.

The Pen Mar circuit now comprises eight fairs. With the addition of Byberry, which hitherto has not been included in a circuit, horsemen will be given opportunity to start their horses from Philadelphia in August and keep them moving over the circuit from August up to the latter part of October. The jumps between fairs will not exceed 60 miles.

Secretary Heckert announces the dates of the Pen Mar fair circuit as follows: Byberry fair, Aug. 30 to Sept. 4; Lebanon fair, Sept. 5-8; Hanover fair, Sept. 12-15; Carlisle fair, Sept. 19-22; Lancaster fair, Sept. 26-29; York fair, Oct. 2-6; Hagerstown, Oct. 10-13; Frederick, Oct. 17-20.

BENDERSVILLE

Bendersville—The Needle and I Thimble Society held a quilting bee in their room last Saturday. Those present were Mrs. Joseph Walhey, Mrs. E. C. Blocher, Mrs. C. J. Hoech, Mrs. Sara Asper, Mrs. J. W. Webbs, Mrs. H. W. Eldon, Miss Sara Sowens and Mrs. B. F. Wilson.

Mrs. John Finney, of Harrisburg, spent Sunday with Mr. and Mrs. Amos Crum.

Born to Mr. and Mrs. Wright on Monday a daughter.

MOOSE RECALL ROOT IN 1912

Cannot Forget He Presided
When Taft Was Nominated.

INAUGURATION A YEAR OFF.

While There Is Very Little Doubt as to Who Will Be the Democratic Nominee, Republicans Are Still Up in the Air—Some Oppose Hughes Because Roosevelt Indorsed Him.

By ARTHUR W. DUNN.

Washington, March 1.—[Special.]—A year from now we will be actively getting ready to inaugurate a president. Can you guess who he will be? Everybody does not rise up and respond, "Woodrow Wilson," while there are a great many who do say, "Charles E. Hughes."

There are a lot of Republican candidates, and most of them intend to dispute the selection of Hughes simply because he is about the only Republican who has received a quasi indorsement by Colonel Roosevelt. Quite a number of Republicans feel that they can go into a campaign without Roosevelt's support, and some of them are determined to do so.

Bull Moose Cannot Forget.

The bull moose will not forget the part that Elihu Root played in the Chicago convention of 1912. One of the most prominent men in the bull moose movement who is now back in the ranks and who will represent a western state in the Republican convention tells me that if Root should be nominated by the Republicans a bull moose ticket will be placed in the field immediately.

"I have little doubt that that man has information as to the position of Colonel Roosevelt. If Root had not presided both as temporary and permanent chairman over the convention which nominated Taft he might have still maintained good relations with Roosevelt, but the colonel has not out his own feelings to consult, but the big crowd of followers who were bitterly disappointed four years ago and were absolutely sure that he had been robbed by the unseating of their delegates.

Does Not Appear Bull Moose.

"Make the matter Root and Boral. That would satisfy the Progressives." So spoke one of the adherents of Mr. Root. But that man only recalled that Boral was the most effective speaker at the Chicago convention. They forget that Boral did not follow Roosevelt out of the Republican party. Roosevelt never forgave the Boral senator because he would not go the whole length, even if he would have destroyed his own political future.

The nomination of Boral for vice president would not satisfy the bull moose sufficiently to make them give Root.

Name Commissioners to Aid Market Conditions in the State.

The State Commission of Agriculture has named M. F. Bushong and M. T. Phillips, members of the commission, to co-operate with Secretary Patton in gathering data relative to improvement of marketing conditions in the State. The commission is planning to bring about closer relationship between farmers and people in the centers of distribution and consumption.

Plans were also discussed for changes in the orchard and other demonstration work of the department which may be undertaken this spring.

Mar. 6—Third Old Fashioned Dance, Xavier Hall.

Skin Comfort for Sick People

No Bed Sores by use of

Here is proof and nurse's letter

"For fifteen years in my work as a nurse I have used Sykes' Comfort Powder in the sick room with splendid results. My mother was confined to her bed for three years, but by the use of this powder never had a bed sore. In all my work for skin irritation or soreness I insist upon the use of Sykes' Comfort Powder."—Mrs. T. A. Bacon, Nurse, Lawrence, Mass.

Not a plain talcum powder, but a highly medicated preparation unequalled for nursery and sickroom uses, to heal and prevent chafing, itching, scalding, eczema, infants' scalded, prickly heat, rashes, hives, bed-sores, and irritation caused by eruptive diseases and bandages.

Used after bathing children it keeps the skin healthy and free from soreness.

At Drug and Dept. Stores, 25c.

THE COMFORT POWDER CO., Boston, Mass.

FLAG RAISING

And Presentation of Bible at School in Mt. Pleasant.

A large number of people attended the flag raising at Conewago school, Mt. Pleasant township, Tuesday evening. The addresses were made by C. G. Sheely, C. A. Stock, and George D. Sheely, the latter also presenting a Bible to the school. A program of exercises by the children was given during the evening. Felix Sanders is the teacher of the school.

SALE REPORT

S. M. Keagy's sale in Union township on Tuesday amounted to \$2175, the best horse bringing \$154; the best cow, \$70; best shoats, \$10.50 each and chickens, 22 cents a pound.

The sale of Harvey Newman, Franklin township, amounted to \$671. A pair of mules sold for \$242.50, the best cow for \$37.50, and shoats brought good prices.

ABOUT 300,000 BABIES DIE BEFORE ONE YEAR

The Census Bureau estimates that 300,000 babies died in this country last year before the age of one year, and it is stated that one-half of these deaths were needless if all mothers were strong and infants were breast-fed.

Expectant mothers should strive to increase their strength with the strength-building fats in Scott's Emulsion which improves the blood, suppresses nervousness, aids the quality of milk, and feeds the very life cells.

Physicians prescribe Scott's Emulsion; it is doubly important during nursing. No alcohol. Every druggist has it. Insist on Scott's—the white-fish cod medicine. No advanced prices. Scott & Bowne, Bloomfield, N. J. 15-27

I will be in Gettysburg every TUESDAY at the rose Myers' Jewlry store, to examine eyes and fit glasses.

W. H. DINKLE

Graduate of Optics.

Home office, 29 E. Pomfret St. Carlisle, Pa.

Martz, Auctioneer. Hratman, Clerk.

PUBLIC SALE

ON TUESDAY, MARCH 7, 1916.
The undersigned will sell at Public Sale, one mile south of Bonneville, midway between Gettysburg and Littlestown, the following:

10 HEAD OF HORSES AND MULES
Consisting of one pair of dark brown mules, 6 years old, both near and off-side workers, one a single line leader; 1 black mare, 9 years old, works in lead or off-side, good stylish driver; Steel roan mare, 3 years old, in foal to Robert's jack, works anywhere hooked except single line lead; well-broken and safe for anybody to drive; Steel Roan Mare, three years old, will work on either side and anywhere except single line lead; five 1 year old Colts, all mares except one. The above mules and horses are all sound and fearless of all road objects. The colts are good blocks and will make large mares.

45 HEAD OF CATTLE
Consisting of 14 Holstein Milk Cows, 7 with calves by their sides; 1 very fresh in the fall; the balance close springers and a few will come in later. The balance are young cattle, consisting of 19 head of fine Holstein heifers. Nearly all of these heifers are due to freshen during the summer. All of these cattle are bred to my Registered Holstein bull. This is a fine lot of stuff, as good as you will get a chance to buy at any public sale this spring. All of these cows I purchased when they were yearlings and can recommend them, for I know just what they are. This is no mixed lot of stuff; they are light in color, nicely marked and if you are looking for good stock don't miss this sale. I will also sell my senior herd sire, Waldheim Mercedes Netherland No. 12548.

Here is a chance to buy a fine herd sire at your own price. He is a sure breeder, nicely marked and individually he cannot be beaten. Come to see this fine animal. Anybody who purchases this animal, I will deliver him a reasonable distance or to railroad station.

12 HEAD OF FAT STEERS
By the pound, will weigh about 1,000 lbs. each.

ALSO, 1 No. 4 Sharpless cream separator, in excellent condition; milk can, etc.

Sale to commence at 12 o'clock. 12 months credit.

No smoking around the barn.

NEWTON J. DORFEE,
Golden & Myers, Clerks.

MESSAGE OF JOY CATARRH SUFFERERS

Hyomei Guaranteed by The People's Drug Store to Relieve or Money Refunded.

The popularity and increase in sales of Hyomei here in Gettysburg are unique in the annals of medicine. Such astonishing successes have been made by this remarkable remedy that the proprietors have authorized The People's Drug Store to sell every package of Hyomei under an absolute guarantee that it will knock out catarrh for good. If it does not, the purchaser can have his money refunded by The People's Drug Store.

Hyomei is no ordinary remedy. It is pronounced the only method of treatment that sends by direct inhalation to the most remote part of the air passages, a balsamic air that destroys all catarrhal germs in the breathing organs, enriches and purifies the blood with additional ozone, and gives permanent and complete relief from catarrh.

The complete Hyomei outfit is inexpensive and consists of an inhaler that can be carried in the vest pocket, a medicine dropper and a bottle of Hyomei. The inhaler lasts a life time, and if one bottle does not cure, an extra bottle can be obtained for a trifling sum. It is more economical than any remedy advertised for the cure of catarrh, and is the only treatment known to us that follows nature in her methods of treating diseases of the respiratory organs.

PUBLIC SALE

SATURDAY, MARCH 11, 1916.
Weaver and Spangler will sell at public sale on the Harry W. Weaver farm, better known as the C. L. Pfoutz farm, in Highland township, four miles west of Gettysburg on the road leading to Knoxlyn Mills, the following personal property:

One black mare, seven years old

EXPLOSION KILLS 13 IN MINE

71 Caught in Disaster in Maryland Colliery.

DUST SUPPOSED CAUSE

The Shaft Was Not Badly Wrecked and Most of the Men Were Quickly Rescued.

Cumberland, Md., March 1.—Seven ty-one miners were caught by an explosion at the Kempton mine of the Davis Coal and Coke company, on a spur of the Western Maryland railway, about two miles from Fairfax, W. Va.

Twelve dead bodies have been recovered, five after several hours' search. It was expected that one more body will be found, bringing the fatalities to thirteen. All but three of four men known to have been in the mine are now accounted for.

The mine was not badly wrecked, according to mine officials. The explosion, it was stated, was probably caused by dust. The men had scarcely reached their working places when of the blast hurried to the shaft where it occurred. Those not directly in range of the blast hurried to the main entries and started for the foot of the shaft in which the cages were still operating.

There they were met by rescue parties from the surface and quickly hoisted. Other rescuers made their way into the mine, and soon located several bodies. Later other miners who had been unable to reach the main lines of communication were found and brought out.

The mine is in Garrett county, Md., and is practically new, with all modern machinery. It is a shaft mine, 430 feet deep with seven or eight miles of headings. The machinery of the mine was not damaged and the cages working expedited the rescue of the imprisoned men.

The explosion occurred about 200 feet from the shaft bottom. Falls of coal from the explosion delayed the rescue work. The mine is devoid of gas.

The identification of the men taken out has not yet been established. Several are burned and badly maimed. The mine has a capacity of about 2000 tons a day.

VOTES FOR SEGREGATION

St. Louis Votes Three to One to Draw Color Line.

St. Louis, March 1.—Ordinances providing for the segregation of negroes in separate blocks from the whites in St. Louis voted on here were carried by a vote of three to one. The total vote cast was nearly 75,000. Two ordinances were voted on, one providing that a white person or negro cannot become a resident in a block occupied entirely by those of the opposite color. The other imposes the same restrictions on a block of seventy-five per cent of one color.

The ordinance becomes effective in ten days unless an injunction is applied for, which is almost a certainty. Opponents of the ordinance declare they will carry the matter to the supreme court of the United States, which has never passed on the matter.

FOR FEDERAL R. R. CONTROL

House Committee is Asked "to Eman- cipate" Carriers From States.

Washington, March 1.—Frank Trumbull, chairman of the railway executive advisory committee, representing eighty-four per cent of the railroads of the country, asked the house interstate commerce committee to bring all activities of the railroads under purely federal control.

"We are quite willing to sit down at the table with you and help you draft a law," he said, "provided you emancipate us from the states."

Millions of dollars, Mr. Trumbull said, "are going over the dam in waste every year," because of duplications, discriminations and litigations arising out of a division of authority over railroads between states and the federal government.

Convicted of Murder.

Hagerstown, Md., March 1.—After deliberating two hours the jury in the case of John Brown, tried for murdering Mrs. Susan Dixon, near Mount Briar, last December, returned a verdict of first degree murder. The penalty is hanging or life imprisonment. Brown received the verdict stolidly.

Explosives Plant Blows Up.

Woburn, Mass., March 1.—With a shock that broke windows twelve miles distant, the tri-nitro toluol plant of the New England Manufacturing company blew up. Frank Coonett, foreman at the plant, was injured. Twenty other employees escaped injury.

Erie Elects Mayor.

Erie, Pa., March 1.—Miles B. Kitts is mayor-elect of Erie. In the most strenuous election battle ever witnessed in Erie, a fight marked by personal attacks, he was chosen chief executive over William J. Stern.

Optimistic Thought.

Society could not exist without inequality.

PENNSY SHOWS BIG GAIN IN EARNINGS

Total Revenues in 1915 Increased \$9,376,318.

Philadelphia, March 1.—Total operating revenues of the Pennsylvania railroad for 1915 were \$196,628,170, an increase of \$9,376,318.

Net increase for the year was \$42,425,322, increase \$8,334,557. The net income after deductions of \$1,946,341 for sinking and other reserve funds was equivalent to 8.09 per cent upon the \$500,000,000 capital stock as compared with 6.83 per cent earned in 1914.

The net income after deductions for sinking funds and dividends was all expended on improvements and construction, so that there was no balance transferred at the end of the year to profit and loss account. Income appropriated for investment in physical property amounted to \$7,286,819, whereas in 1914 this item was only \$2,230,335. In addition there was expended last year for construction on leased and branch roads directly operated, \$3,239,912, while in 1914 no such expenditures were made because of the small margin of earnings over dividend requirements.

The profit and loss account on December 31, 1915, was \$31,877,335, and there was deducted last year net debits, chiefly discount and expenses of the new issue of general mortgage bonds aggregating \$3,855,855, thereby reducing the profit and loss credit on December 31, 1915, to \$27,991,499.

COLOMBIA TREATY DOOMED

No Hope for Measure to Pay \$15,000,000 Settlement Money.

Washington, March 1.—Administration senators admitted they had practically no hope of ratification for the Colombian treaty proposing payment of \$15,000,000 to Colombia for the partition of Panama and making mutual expressions of regret that anything should have occurred to disturb the friendly relations.

Senator Stone, the foreign relations committee chairman, said he could see nothing to be gained by sending the treaty back to the committee, as suggested. A thorough canvass of the senators has convinced administration leaders that nearly all Republicans and several Democrats would resist its ratification to the last and that the necessary two-thirds vote could not be procured.

A vote on the measure, some senators believe, should be avoided, because inaction would be better than a flat rejection in its effect upon Colombia.

Coasters Hit Auto; Two Dead.
Pittsburgh, Pa., March 1.—In a coasting accident near Natoma last night, Louis Cogley, eight years old, and Walter Bargerstock, fourteen, were killed, and Connor Cogley, sixteen, brother of Louis, is in a critical condition with a fractured skull. The sled on which the boys were riding collided with an automobile.

THE OLD RELIABLE ROYAL BAKING POWDER Absolutely Pure No ALUM—No PHOSPHATE

All the Difference.
A young girl who had been born and brought up in a boarding-house atmosphere was suddenly transplanted into a wealthy home. After she had been there a month a friend of her father's said: "I expect you notice a great difference between your present and your former surroundings?" "Oh yes," said the girl. "There, when a man and a girl walk out together, everybody always says, 'Will he marry her?' Here they say, 'Will she have him?'"

Enjoyment of Food.

There is a mistaken notion that the enjoyment of food means "giving up all the things that taste good." While it is true that, in many cases, sacrifices have to be made, the net result of rearing one's diet is not to diminish, but to increase the enjoyment of food. In general, it is extremely unhygienic to eat foods which are not relished. Statements by Pavlov and others have shown that the taste and enjoyment of food stimulate the flow of digestive juices.

A Talk to Mothers About Croup and Cold Troubles

The New Treatment With Fresh Air and Anti-septic Vapors That Does Away With Injurious Internal Medicines, Flannel Jackets, etc., etc.

All mothers are "home doctors" when it comes to treating the croup and cold troubles that all children are heir to. They know that growing children need outdoor exercise, and that, with outdoor exercise, some colds are bound to come. They know, too, that internal medicines injure delicate little stomachs, but that these colds must have some kind of treatment.

The answer to this problem is the "external" treatment, Vick's "Vap-O-Rub" Salve. For the many forms of cold troubles, from head colds, asthma and catarrh, down to sore throat, bronchitis and deep chest colds, Vap-O-Rub will be found better than internal medicines. Just apply "Vap-O-Rub" well over the throat and chest, covering with a warm flannel cloth. Leave the covering loose around the neck so the vapors, released by the body heat, may be freely inhaled. The next morning the head is clear, phlegm loosened, and soreness gone.

No one realizes the value of an external treatment better than the skilled druggist, and while the profit is not as large on Vick's "Vap-O-Rub" as on internal preparations, the local druggists are anxious that their customers should know of this new treatment. They are, therefore, offering Vap-O-Rub in the three sizes—25c, 50c or \$1.00 on 30 days' trial. Your money back if not delighted.

The Range Your Wife Wants

Does your wife like a range with plenty of gleaming nickel and elaborate design, or one plain, simple, dignified?

Does she prefer a steel or cast iron range; one with a warming oven or shelves?

Will she use a reservoir for heating water, or water front?

Does she need a big powerful baking oven, or will a smaller one do?

She can find what she wants at our store room. We have over a carload of ranges of handsome design, and shall be pleased to have you call and look them over, whether or not you want to buy. Also have a large assortment of enamel ranges that require no blackening.

H. T. MARING

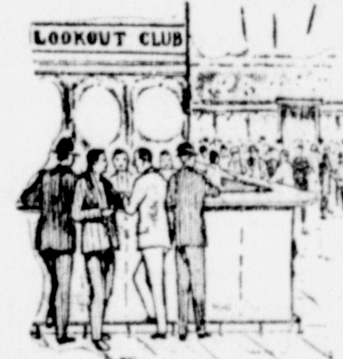

At the alley between North Washington and Carlisle Streets, close to the P. & R. Depot, and next to Meals Marble Shop.

Facts Versus Fallacies

FACT is a real state of things. FALLACY is an apparently genuine but really illogical statement or argument.

TENNESSEE, which has been confessedly and sorrowfully under a Prohibition law by Legislative enactment since 1909, has been humbly exhibited to a visiting delegation of Ohio Assemblymen as a sample State of Prohibitory FALLACY. Experiences of Ohio's legislators in heralded "dry" Tennessee are set forth in FACTS graphically told by the Cincinnati Enquirer.

THIS trip of Ohio Assemblymen to a State, which Anti-Saloon League agents gave assurance is a "model" of what Prohibition law can do, proved a shock to the tourists. After registering at the hotel in Chattanooga, the affable clerk gave each Senator and Representative a card of admittance to the courtesies of what was called the "Lookout Club." This social organization had its club-room in the basement of the hotel, and there were in this hospitable room just seven bar-tenders, each as busy as a field hand fighting hornets.

LOOKOUT CLUB

ADMIT BEARER.

HOTEL CLERK

A FIXED tariff for the "courtesies" extended in this Prohibition city resort was of course charged, according to the kind of drink desired. Then, too, in the dining-room of the hotel, drinkables were served for the asking. When the same character of accommodating resorts were visited on battlefields, also, by Ohio's Assemblymen, the doors of bars swung outward in this Prohibition State to all who presented themselves with proper credentials.

Prohibition city resort was of course charged, according to the kind of drink desired. Then, too, in the dining-room of the hotel, drinkables were served for the asking. When the same character of accommodating resorts were visited on battlefields, also, by Ohio's Assemblymen, the doors of bars swung outward in this Prohibition State to all who presented themselves with proper credentials.

ONE of Tennessee's Colonels explained to the delegation of Senators and Representatives from Ohio that it was a FALLACY to claim that the Prohibition law in that State was expected to apply to "white folks." Then, as has been facetiously said, "a light came up in the heads" of Ohio's visiting legislators, and the FACT of Prohibition folly was impressed upon those who had come to see how Prohibition worked!

ONCE more is shown the FALLACY that Prohibition prohibits. And even more pertinent is the FACT that all Prohibition does is to prevent the legalized and regulated sale of alcoholic beverages.

Dry Goods Department Store

Fully Ready For SPRING
With A Greater Stock Than Ever Before
Mostly at Old Prices

There is a Bonifide Reason—for the high prices ruling to-day in all commodities. You have heard all about it—but it has not yet touched your purse in the buying of Dry Goods if you came here for them—for the reason that we tried to forestall price advances by heavy orders whenever old prices, or near it, could be had. But we are now at the limit—as to quantity of stock we can carry and getting anything on new orders—except at present day prices, or what the wholesaler calls "At Value." We advise you to take advantage of our present prices on stock contracted for at, or near the old prices.

Fancy Woven & Printed Floral Patterns in Part Silks & Fine Cottons.

Printed & Plain Colored Cotton Voiles, Marquisettes, Grenadines, Seed Voiles, Faconna, French Gingham—and dozens of New Weaves and Printings in Cotton Wash Fabrics. Wash Fabrics were never so pretty as these early Printings & Weaves.

Women's and Misses' SPRING DRESSES

of Silks, Serges, Poplins—or combination of two materials. If you have seen or read of any Special Style Creation for Spring—or even if it is a product of your own imagination—the probability is that, in part at least, you will see it embodied in our New Spring Dresses. Some are of all Taffeta or Messaline with Georgette Crepe, or in combination with Serge. Others are of all Serge with Silk or Braid bands &c.—in fact cannot describe any one style as in most cases there is only one of a style.

Price begins at \$5.75 to \$20.00

LADIES' & MISSES' TAILORED SUITS

Between \$9.75 & \$27.50 there are dozens of styles in Serges, Poplins, Gabardines, Taffeta Silks—all smart and new and unusually attractive. The "Wooltex" line is represented by its best styles. Colors are Navy, Reseda, Black, Brown, Burgundy, Tan, &c.—also various Checks. Coats are mostly plain backs with blouse fronts and rippled over hips—or semi fitted back—full skirts. Some of the coats have leather collar and cuffs and belt trimmings—some with a touch of White on collars—others braid and taffeta silk bands &c.

SPECIAL—Cut & Style—for the woman who is somewhat out of proportion in size, but who wants a suit away from the plainness of those usually shown in odd sizes can be suited with us this season—at a medium price.

For the younger and petite Miss are the Norfolk Styles, or ideas in coats—with skirts pleated to conform.

No two Suits alike—Never a prettier or more varied assortment.

WAISTS & BLOUSES

Black Lace over White and Flesh Colored Chiffons and Georgettes—in a variety of styles—Taffeta & Messaline Waists—\$5.50 to \$7.00.

STRIPE SILK—IN TUB SILKS

Variety of color stripes—\$2.25 to \$3.25—Smartly tailored, variety of styles, both in flare or high neck—New ideas in Sleeves, Collars & Finish.

CREPE BLOUSES OR WAISTS

In Crepe de Chines & Georgettes in combination with All Over Laces, in colors of White, Flesh, Maize, Pale Blue—\$2.25 to \$5.50.

WASH WAISTS & BLOUSES

Fifty styles or more—Embroidered, Lace Trimmed, Voiles, Organdies, Lawns, &c.—and Plain Tailored Linens and Linenes. New collar and sleeve effects—including Flare Neck, High Neck, Sailor Collars, Point Collars, Vests and Cascade Ruffled fronts—\$1.00, \$1.19, to \$3.50.

Muslin Underwear

Made in Clean Sanitary Factories—Rightly Priced.

Petticoats of Cambric
Lace Trimmed
Embroidery Trimmed 1.00 to \$3.00
Circular Flounce

Combination & Princess Slips—Corset Covers &c.
NIAGARA MAID GLOVE SILK UNDERWEAR

Women's Neckwear

The very latest in Organdies & Silks—Middy & other Silk Ties, Embroidered and Lace Trimmed, 25 & 50 cts. Lace & Embroidered Organdie Vests, 25 & 50 cts. Collar and Cuff Sets—Embroidered Organdie, 25 & 50 cts. Net Guimps, 25 & 50 cts. Collars are medium and large shapes—Many of these styles are priced much higher in the city stores.

\$5,000.00 Worth Wool Dress Goods.

In the correct weaves and colors for Spring Serges, Gabardines, Suitings and all the rest.

DRESS & WAIST SILKS

In Taffetas, Gros de Londres, Messalines, Crepe de Chine, Georgettes, Marquisettes, Fancy Stripe Crepe de Chines, Chiffons, Pussy Willows and New Fancy Silks in Stripes and Plaids. All colors now—cannot promise to duplicate any color by re-ordering.

Anderson's Scotch at 15 and 25 cts.—32 in. wide, absolutely fast colors. Renfrew Tub & Sun Proof Gingham at 12 1/2 cts. and dozens of other tried makes from 7 cts. up—Devonshire Cloths, Juvenia Suitings & Peggy Cloths, Woven Jap Creses, Percales, Madras, &c.

Every good thing that is out for this season—now in our stock—at no advance in prices.

NIAGARA MAID SILK GLOVES—AT NO ADVANCE OF PRICE

Guaranteed Finger Tips

An order placed last August for Spring delivery gives us complete lines of .50, .75 & \$1.00 gloves in exactly same grades as we have had before—with the addition of White Points on Black and Black Points on White—and colors such as Tan & Grey—at 50 cts.

In 16 Button Musquetaire lengths—we are showing White, Black and Tan—at \$1.00. The scarcity of Kid Gloves and the consequent higher prices asked by most stores made Silk Fabric gloves very greatly in demand and we consider ourselves fortunate in having secured this most excellent Silk Glove at no advance in price.

Lisle and other Fabric Gloves—for heavier wear—25 & 50 cts.—in same qualities as before.

IN KID GLOVES, THE P. CENTEMERI & CO. LINES.

We are pleased to be able to say that they have taken excellent care of us in the matter of keeping us stocked in sizes and kinds in the same former qualities and—except in one instance—we have made no advance in price. A full and complete stock of colors and sizes for Easter now—but owing to the great demand for this period, and scarcity in Importers' hands, we suggest early purchase for fear of disappointment at the last moment.

Umbrellas Under Values.

Last Fall we bought an unusual quantity of Umbrellas under the advance price "squeeze." We know if we tried to buy the same kinds now we would have to pay more for them. Except for three small factories in the United States all Umbrella frames were made in the War Country—and it is represented to us that these "Small Factories" have been for some time operating on Munitions—and up goes the price of handles and frames. All cloths, especially dyed cloths, are much higher. We are offering this lot at exactly the same prices that we asked for the same grades a year ago. Ladies' & Men's sizes and handles, and because of the great number of our stock prices are even less for some grades than formerly.

Prices are \$1.00—\$1.25—\$1.50 to \$3.00.

MEN'S SHIRTS AT 50 CTS.

NEGLIGEE & DRESS

There was never a better Shirt made, that we know of, than our celebrated "Red Top" brand to sell at 50 cts. BEST in quality of materials—Madras, white or colored, Chambrays, Percales. BEST in the liberalness of cut. BEST in style. The next lot will have to be skipped in quality or size because of the advance in materials. A 60 Dozen stock now. Stiff Cuffs, Soft Cuffs, Laundered Pleats, Plain Fronts—and all the others.

PUBLIC SALE

OF
VALUABLE WAREHOUSE PROPERTY
Located in Adams County Fruit Belt
ON SATURDAY, MARCH 4, 1916.

The undersigned, in pursuance of an order of sale from the Court of Common Pleas to them directed, will sell at Public Sale on the premises, at Aspers Station, Adams Co., Pa., the following Valuable Real Estate, consisting of two adjoining and contiguous tracts of land, viz:

TRACT NO. 1, containing FIFTY-NINE PERCHES, is a plot of ground adjoining lands of A. B. Deardorff, H. J. Gulden, and the G. & H. R. Co., improved with a three story WAREHOUSE BUILDING

20 x 50, covered with a slate roof, with fertilizer house, scales and a new office building.

TRACT NO. 2, contains THIRTY-THREE PERCHES, more less, is another plot of ground adjoining No. 1, improved with a Railroad Switch and Coal Trestle, built with heavy stone abutments, heavy stringers and railroad iron, as well as new corn crib. This is one of the most valuable locations in eastern Pennsylvania, lying in the heart of the Adams county fruit belt, giving a splendid opportunity in addition to the general warehouse business, to handle fruits and vegetables in large quantities. There is also a demand for a cold storage at this location and the combination would be a valuable asset. Whilst the business is now in the hands of the receivers it is nevertheless enjoying a good trade and the assignees are prepared to show that it is one of the most profitable locations in this part of the State if the business is properly executed.

If anyone wishes to view the property he can do so by calling on D. C. Asper, Aspers, Pa., who is thoroughly familiar with the details of the business. Property will positively be sold.

Sale to commence immediately after sale of personal property of D. C. Asper, held on same day near same place, when terms and conditions will be made known by

D. C. ASPER,
R. C. STROUSE,
Aspers, Pa., Assignees.

Herish and Butt, Esqs.,
Attorneys for Estate.
ALSO will sell at same time and place one Marathon Automobile, in good running order.

We also offer at Private Sale the following machinery, all of which is new and has never been used:—One Superior single row corn planter, 2 Oliver riding corn workers, 1 steel land roller, 1 Buckeye Riding cultivator, one 9-foot Johnston hay rake, thirteen 16-tooth and three 17-tooth Perry harrows, one No. 40 Oliver steel beam plow, two No. 20 Oliver plows, one No. 40X wood beam Oliver, one No. E. wood beam Oliver, one No. 20 wood beam Oliver; one No. 10 Wood beam Oliver; two No. 5/8 Oliver hillside plows, large assortment of Oliver plow repairs, one new two horse Brown wagon, bed with spring seat, one new 1-horse Oliver wagon, bed with spring seat, new potato masher, step ladder and several 18-ft. tree ladders, all new and many other articles not mentioned.

Also 2 Hoosier lime drills and one potato planter that have been used for two years, all in good condition. All the above machinery must be sold by April first, 1916 and interesting prices to buyers will be given.

D. C. ASPER,
R. C. STROUSE,
Aspers, Pa., Assignees.
